RE: Request to have an attorney appointed
to help me: Statutory authority is

Hi Peter,

I wrote to approx. 6 Delaware attnys and
1 or 2 out of state attnys requesting their representation
on a contingency fee basis and not 1 had the
professional courtesy to respond. - Thus this letter
to the Court. - Reasons for me needing assistance
in representation include the complexity of federal
civil law, the difficulty in conducting discovery
while incarcerated, the complex nature of the issues
involved in my claim, a lack of education or lit-
eracy that might impair my ability to prepare my
legal claim. - At time of this request, I do not
have case law to support my need for representation.
thus, I look forward to your response.

Thank
